A close-up photograph of the bottom of a white MacBook. The image shows the lower portion of the keyboard, including the 'Alt', 'Command', 'Option', and 'Control' keys. Below the keyboard is the trackpad. At the bottom edge, there is a row of seven status lights: a blue light (power), a green light (battery), a yellow light (charging), and four white lights (network, video, audio, and a fourth unidentified light). The laptop is resting on a dark, textured surface.
